Ahmad Ali

ICT Teacher

👤 Profile

Experienced and dedicated ICT Teacher with 4 years of expertise in teaching and leadership roles. As the head teacher of IGCSE ICT and the founder of "AT-ICT,"

I have successfully taught and mentored a diverse group of 35+ students, achieving outstanding results with over 75% of students attaining grade A or above.

My experience extends across various educational centers, fostering strong connections and collaboration.

I hold a degree in Computer Science and possess a wide range of skills, including leadership, communication, multitasking, Microsoft Office, SQL, and teaching expertise. Passionate about interior design, architecture, and diverse hobbies, I bring a dynamic and versatile approach to education, ensuring a comprehensive and engaging learning experience for students.

⬥ Education

IGCSE, Al Bashaer International School
September 2017 — June 2021

I got the IGCSE education and thankfully got **95.3 %** in my secondary education.

Computer Science, BUE
September 2021 — Present

Year 3 at the Faculty of Computer Science

Majoring "**Software Engineering**"with a cumulative GPA of 2.8

⚎ Internships

Development Team at QNB Bank, Cairo - Egypt
August 2022 — September 2022

As an intern in the Development Team at Qatar National Bank (QNB), I contributed to various front-end development projects, with a focus on enhancing communication and collaboration between the IT and Network Departments.

Development Team at QNB Bank, Cairo
August 2023 — September 2023

My responsibilities included designing and authenticating login pages, ensuring a user-friendly interface while maintaining high security standards. Through these tasks, I gained valuable experience in optimizing inter-departmental workflows and contributing to the overall functionality and security of the bank's systems

⚓ Extra-curricular activities

Student Representative at Faculty of ICS in BUE
October 2023 — June 2024

As a student representative at my university, I acted as a liaison between students and faculty, advocating for student concerns and helping facilitate communication between both parties. I played a key role in connecting students with professors to resolve academic issues and improve the overall learning experience. Additionally, I collaborated with university staff on policy discussions, participated in meetings to represent student perspectives, and helped organize events that fostered a sense of community. This role strengthened my leadership, communication, and problem-solving skills while enabling me to make a meaningful impact on student life.
